Sir,

NATIONAL EXTENSION SERVICE: Establishment -Block Development officers during tour-Permission to take typist cum clerk to camps-Sanction - Requested-

---

The Block Development Officer Sullia has applied for my permission to take the typist cum clerk of hisoffice to camp during his tours.According to ruling (2)under M.T.A.rule 7 at page 23 of the Manual of Special Pay and Allowances it is presumed that the controlling officers can accord special sanction to their subordinates permitting them to take clerks to camps. According to para 2 of G.O.Ms.No. 451.Agriculture dept.dated 17.2.54 the Collector of the Dt. is the Controlling Authority of the Block Development Officers. under the authority of ruling (2)of M.T.A. rule 7 at page 23 of the Manual of Special Pay and Allowances. I presume that I can permit the Block Development Officer,Sullia to ta to camp his typist cum clerk. I may kindly be informed whether this presumption is correct. I have however permitted the Block Development Officer Sullia to take to camp the typist cum clerk attached to his office in anticipation of sanction. I request that the Government may be pleased to approve my action.

Yours faithfully,

For Collector.

Copy to Block Development Officer,Sullia.He may take the typist cum clerk attached to his office to camp during his tours.

The Report from the collector of South Kanara may be perused. Ruling (2) to M.T.A. Rule 7 of the Manual of Special pay and Allowances provides for the scale of establishments which subordinate authorities may take with them on tour without the special sanction of their controlling authority. It therefore implies that in respect of those officers for which no scale has been prescribed, the controlling authority can accord special sanction to their subordinates to take on their tours, establishments (members of their) on a scale applicable to similar posts. under G.O. MS 451 Agri dt 17.2.54, the collector is the controlling authority for the expenditure incurred by the B.D.O. Being gazetted officers they could take one clerk when going on camp. Hence there does not seem to be any objection in the collector ~~to~~ permitting the B.D.O to take the typist-cum-clerk during B.D.O's tour. If so, the draft ~~proceedings~~ put up below is for approval.
